

POLITICAL PARTIES

Currently, there are two political parties recognized under state law in Nebraska.

Nebraska Political Parties:

- Republican
- Democrat

The following state offices are nominated on a partisan basis:

- Governor
- Secretary of State
- State Auditor
- State Treasurer
- State Attorney General

The following federal offices are nominated on a partisan basis:

- U.S. Senate
- U.S. House of Representatives

The following county offices are nominated on a partisan basis:

- County Supervisor
- County Assessor
- County Sheriff
- County Public Defender
- County Clerk
- County Treasurer
- County Attorney
- Clerk of the District Court
- County Surveyor

The other elected offices in Nebraska are nominated on a non partisan basis.

Note: Political party enrollment is your choice, but in order to vote for a partisan candidate in a primary election, you must be enrolled in that political party. If you register nonpartisan you will only be able to vote for ballot issues and nonpartisan candidates in the primary election.

Offices such as President, Governor, State and County officials are partisan, therefore if you register nonpartisan you will not be able to vote for them in a primary election. You may request a senatorial or congressional ticket of your choice if you are registered nonpartisan in a Primary Election. In General Elections everyone votes the same ballot.
